Hawaiian supports Earth Hour 2011

Hawaiian is proud to support Earth Hour, a WWF initiative which aims to take action against climate change.

Earth Hour this year takes place on Saturday 26 March from 8.30pm to 9.30pm.

All non essential lights at several Hawaiian properties will be turned off to demonstrate it is possible to make a difference and contribute to a more sustainable environment.

These properties are Parmelia House, London House, 235 St Georges Terrace and 50 Pitt Street Sydney.

Hawaiian is also encouraging its commercial tenants at these properties to join in the action against climate change.

Further information on Earth Hour can be found at www.earthhour.org.au
