**BASSENDAN SHOPPING VILLAGE TO HOST OPEN FORUM
Q & A SESSION ON NEW REDEVELOPMENT**

Senior management from Hawaiian, owners of the Bassendean Shopping Village, will be in-centre on Thursday 15 November from 3.30pm – 6.30pm to enable the public to discuss direct with decision makers, aspects of the redevelopment project.

The approved redevelopment project aims to improve the lives of people living in the Bassendean community with a physically substantially improved centre to include an indoor children's playground, a flat car park, more shops, a larger new Coles and a family oriented tavern.

The centre design will celebrate what it means to be a part of Bassendean – in the past, for today and into the future. The strong community spirit of the area will be visible in the centre through activities, public art and building materials.

Senior management to attend include Evan Briers - Director of Investment, Alison Reid - General Manager of Retail, Richard Kilbane – General Manager of Development and Commercial, Hadley Missell – Business Manager of Retail Leasing, Natalie Upson – Marketing Manager Retail Portfolio and Claire Johnson – Property Manager of Suburban Portfolio.

The Q&A sessions will be set-up near Coles and Centre Management.
